

13 SERVICE FUNCTIONS

CRP-129+ EVO

Vehicle Semi-professional diagnostic solution

4-SYSTEM DIAGNOSTICS WITH EXTENDED SERVICE FUNCTIONS

The CRP-129+ EVO delivers fast, reliable diagnostics across engine, transmission, ABS, and SRS systems, helping technicians quickly identify faults and reduce diagnostic time. It reads and clears fault codes accurately, supporting precise repairs and reducing unnecessary parts replacement.

Live data is shown in clear graphs, making it easier to spot issues in real time and improving diagnostic confidence. Extended service functions streamline routine maintenance, boosting workshop efficiency, productivity, and first-time fix rates for a more professional service.

ALL ADVANTAGES AT A GLANCE
