

35 SERVICE FUNCTIONS

X-431 EURO LINK

Innovation meets versatility

POWERFUL VEHICLE DIAGNOSTICS MADE EASY

The X-431 EURO LINK provides reliable vehicle communication and efficient diagnostics across a wide range of European models, helping workshops improve productivity and streamline daily operations. Designed for technicians requiring dependable performance and ease of use, it delivers fast system access, accurate fault detection and clear diagnostic reporting.

With rapid connectivity, intuitive navigation and regular software updates, the X-431 EURO LINK supports quicker repairs and ongoing compatibility with modern vehicle systems. Its compact, versatile design makes it ideal for both workshop and mobile diagnostic use, offering a flexible and cost-effective solution for everyday servicing, maintenance and repair tasks. **Optional truck diagnostics add on is available.**

ALL ADVANTAGES AT A GLANCE

- ✓ 12 months of software updates
- ✓ Support for remote and local diagnostics
- ✓ CarSET PRO or ULTIMATE
- ✓ Security Gateway access
- ✓ System topology
