

12 SERVICE FUNCTIONS

X-431 EURO LINK HD

Heavy-duty vehicle diagnostics

The X-431 EURO LINK HD is a professional diagnostic tool designed for fast, accurate heavy-duty and commercial vehicle diagnostics. It provides broad system coverage and smart functions that help technicians quickly pinpoint faults, reduce downtime, and complete repairs with confidence.

Its intuitive interface and wireless capability streamline workshop workflows, improving efficiency and allowing easy movement around the vehicle without loss of performance.

Built to boost productivity, it helps workshops improve first-time fix rates, speed up diagnostics, and deliver a more efficient service.

ALL ADVANTAGES AT A GLANCE

- ✓ Remote diagnostics capability
- ✓ DoIP and Pass-Thru support
- ✓ Software updates included
- ✓ Support for more than 20 commercial vehicle manufacturers
