

38 SERVICE FUNCTIONS

X-431 IMMO PRO

Vehicle key programming device

The X-431 IMMO PRO enables locksmiths and workshops to carry out advanced key programming and vehicle security functions quickly and confidently. Its 8-inch Android 10 platform delivers fast, reliable performance for greater efficiency.

Supporting key, engine and transmission programming across a wide range of vehicles, it reduces downtime while expanding in-house capability.

Advanced programming and broad vehicle coverage create new service opportunities, while the intuitive interface simplifies operation, shortens training time and improves workflow. Stay SERMI-ready with secure, authorised access to key programming, immobiliser coding and security diagnostics, helping independent garages work confidently on modern vehicles.

ALL ADVANTAGES AT A GLANCE

- ✓ Advanced reprogramming capabilities
- ✓ Wide vehicle coverage & powerful diagnostics
- ✓ High efficiency through ease of use
- ✓ Key, engine & transmission programming
