1 YEAR SGW  
**£399**  
NEW LOWER PRICE

- Restores unrestricted diagnostic access on vehicles protected by SGW modules, enabling full communication with control units.
- Provides a complete multi-brand SGW activation package, replacing the need for separate manufacturer licences.
- Supports major brands including FIAT Chrysler Automobiles, Mercedes, and Renault/Dacia, with more manufacturers being added.
- Enables advanced functions such as coding, programming, and full-system diagnostics on professional LAUNCH X-431 EURO devices.
- Offers quick, simple activation through **LAUNCH's** sales channels for seamless workshop integration.

## LAUNCH UK & IRELAND OFFICIAL BUYING GUIDE

- The top selling **LAUNCH** X-431 EURO Diagnostic Tool range are sold exclusively through our authorised UK reseller network. **Contact us to find your nearest official dealer.**
- Avoid unauthorised sellers, counterfeit tools, and grey imports claiming to be official **LAUNCH UK & IRELAND** or similar. These do not provide UK warranty or technical support.
- Before buying online (via a website, eBay or Amazon), verify with us if the seller is official.
