

LAUNCH SERVICE TOOLS & CHEMICALS

SPRING/SUMMER SAVINGS

TOP SELLING ESSENTIALS:

- DPF Gun Kit – fast, effective cleaning
- DPF Chemicals – keep filters performing
- ATF Machine – easy transmission flushes
- ATF Chemicals – protect and extend transmission life

LAUNCH DPF GUN & FLUIDS

LAUNCH DPF GUN

- The **LAUNCH** DPF Cleaning Gun is designed to tackle soot buildup in Diesel Particulate Filters (DPFs), a common issue in modern diesel vehicles due to strict emissions regulations.
- The gun sprays **LAUNCH** DPF cleaning fluid directly into the DPF via the pressure sensor or vacuum port. Simply fill the gun, connect it to a compressed air line, and apply the fluid at pressure.
- The solution dissolves soot inside the filter without needing to remove the DPF, though heavily blocked filters may still require a forced regeneration.
- The cleaning gun includes a 12-month warranty.
- DPF cleaning fluid is sold separately.

ONLY
£185
CODE: 3027001
DPF GUN

LAUNCH DPF CLEANING FLUID 1 LITRE

- Strong DPF cleaner for the **LAUNCH** DPF gun, removing heavy soot when regen fails.
- Reduces soot to allow successful regeneration and restore performance.
- 1-litre bottle treats two cars; severe blockages may need extra.
- In-situ process takes 20–30 minutes.

ONLY
£24.95
PER BOTTLE
CODE:
2951002

LAUNCH DPF CLEANER & FLOW RESTORER 400ML

- Added to the diesel tank to help prevent soot and carbon build-up, ideal for city-driven cars.
- Supports normal DPF regeneration during everyday use.
- Used after DPF gun cleaning to boost overall results.
- Helps maintain DPF performance and reduce future blockages.

ONLY
£10.95
PER BOTTLE
CODE:
2951008

LAUNCH DPF GUN STARTER KIT

- Rapid, in-situ DPF cleaning for heavy soot build-up and failed regenerations. Restores exhaust flow to allow a successful regeneration cycle.

Includes:

- DPF Cleaning Gun
- 2 x Cleaner & Flow Restorer
- 1 x 1-litre Cleaning Fluid

Key points:

- 20–30 min process.
- 1 litre treats up to two vehicles (more for severe blockage).
- Fast, efficient solution for workshop DPF maintenance.

ONLY
£210
CODE: 3027012
DPF GUN KIT

Prices shown exclude VAT. Delivery charges apply.

LAUNCH TECHNICAL FLUIDS

LAUNCH DIESEL SYSTEM PERFORMANCE PLUS 400ML

- Fuel enhancer and cleaning additive for full system protection.
- Added to the tank as a first step when fuel-related fault codes appear.
- Cleans and lubricates the fuel system to restore performance and efficiency.
- Supports smoother running and long-term system health.

ONLY
£9.95
PER BOTTLE
CODE:
2951006

LAUNCH PETROL SYSTEM PERFORMANCE PLUS 400ML

- Fuel enhancer and cleaner for full petrol system protection.
- Cleans injectors and system to lower emissions and improve economy.
- Use at each service to reduce deposits and maintain efficiency.
- Helps limit E10 corrosion and keeps the system clean.

ONLY
£9.95
PER BOTTLE
CODE:
2951005

LAUNCH ADVANCED ENGINE FLUSH 400ML

- Cleans lubricates and neutralises acids in petrol, diesel and hybrid engines.
- Removes gums, tars & sump deposits that restrict oilways & lifters.
- Neutralises acidic residue during oil changes to protect fresh oil and extend life.
- Helps resolve VVT issues caused by contamination and related fault codes.

ONLY
£8.95
PER BOTTLE
CODE:
2951003

LAUNCH OIL PERFORMANCE ENHANCER 400ML

- Boosts and supports the oil's additive pack during long service intervals.
- Can be added mid-service or with fresh oil to strengthen protection and keep the system clean.
- Improves oil stability under high pressure, helping it hold grade across varying temperatures without changing viscosity.
- Helps reduce lifter rattle when used with older oil.

ONLY
£9.95
PER BOTTLE
CODE:
2951004

LAUNCH TURBO EGR CAT & DPF CLEANER 400ML

- Formulated to remove contamination across all post-combustion components.
- Effectively breaks down carbon build-up in turbochargers, EGR valves and EGR coolers.
- Helps clean deposits within DPF systems to restore proper flow and function.
- Suitable for use on diesel, petrol, and hybrid vehicles.

ONLY
£10.95
PER BOTTLE
CODE:
2951007

LAUNCH POWER LUBE PLUS - PENETRATING OIL 500ML

- Power Lube Plus quickly frees seized parts with advanced nano-cluster lubrication.
- Creates a durable film that protects components under heavy load.
- Ideal for chains, gears, bearings, locks, hinges, and other moving parts.
- Water-repellent and anti-corrosion, safeguarding electrical connectors, switches, and ignition systems.

ONLY
£7.95
PER BOTTLE
CODE:
2951011

LAUNCH ATF FLUIDS

Prices shown exclude VAT. Delivery charges apply. All offers and pricing are subject to availability and may be withdrawn or amended without notice. Errors and omissions excepted. LAUNCH AUTOMATIC TRANSMISSION FLUSHING FLUID 400ML

- For use with the **LAUNCH CAT-601S** (see below) ATF Flush and Exchanger and similar machines.
- Compatible with all transmission fluids.
- Dissolves gum and tar deposits in valve bodies and mechatronic units.
- Removes metallic debris, carrying contaminants out during fluid exchange.

ONLY
£8.95
PER BOTTLE
CODE:
2951013

LAUNCH ATF CONDITIONER - CARE & PROTECT 400ML

- Formulated to maintain and enhance transmission performance.
- Compatible with all ATF fluids, making it suitable for a wide range of vehicles.
- Supports additive packs to ensure smooth operation, reduce wear, and extend transmission life.
- Easy to use, helping protect critical components and maintain efficiency.

ONLY
£10.50
PER BOTTLE
CODE:
2951014

LAUNCH CAT-601S ATF MACHINE

- Automatic Transmission Cleaning & Fluid Exchange – Quickly flushes and replaces ATF, helping workshops service gearboxes faster and restore performance.
- Wide Vehicle Compatibility – Works with many ATF adapters to service most automatic, DCT, and CVT transmissions.
- Precise Fluid Exchange – Accurate oil replacement (± 100 ml) ensures effective removal of old fluid for improved reliability.
- Smart Workshop Integration – Connects with compatible diagnostic tools for easier control and improved workshop efficiency.

ONLY
£3,295
CODE:
1037005

Please note this item is sent in either red or grey.
